3 Buckey Biscuit with Antler Powder

(6 oz. bag). It's widely known that deer & elk antlers offer wonderful health benefits for dogs. They are an excellent source of vitamins, minerals & calcium. BuckeyBites has created the world's first tasty dog biscuit that combines the convenience of an edible treat with all the benefits of antlers. BuckeyBites Oven Baked Dog Biscuits made with All Natural Antler Powder provide all the benefits of antlers in a daily, tasty treat. We've also included Glucosamine, Carotene and Chondroitin in the mix to super charge their effectiveness. And...we've left out wheat, corn and soy. These biscuits help to promote sound bones & Joints and the overall wellbeing of your pet. They contain no wheat, no soy and no corn. They are easy to digest and 100% Made in the USA. Ingredients: Crushed Antler Powder, Spelt Flour, Oat Flour, Steel-Cut Oats, Milled Flax Seed, Natural Smoked Bacon Extract Flavor, Cheddar Cheese, Glucosamine HCl, Chondroitin, vitamin D3, Vitamin B12, Baking Soda, Mixed Tocopherols, (Vitamin E).
