2 MushPuppies Immune Booster with Coriolus Versicolor PSK/PSP

(6 oz. bag). Our Forrest Natural Brand has developed the first dog biscuit with the immune boosting and stimulating Coriolus Versicolor mushroom. The Coriolus Versicolor mushroom has over 400 studies worldwide concerning the claim that it helps to boost and stimulate the body's own immune system. It is also packed with Vitamins along with Glucosamine, Chondroitin and Carotene for bone and joint health. Boosting and stimulating your pet's immune system will help to give them the necessary assistance to maintain a healthier life. Ingredients: Coriolus Versicolor mushroom Polycscharide (PSP) Polysaccharide Kereskin (PSK), organic spelt flour, whole oat flour, apple juice, eggs, ground peanuts, flaxseed oil, mixed tocopherals (Vitamin E) as a natural preservative. No artificial preservatives, by products or chemicals.

2 Buckey Biscuit with Antler Powder

(6 oz. bag). It's widely known that deer & elk antlers offer wonderful health benefits for dogs. They are an excellent source of vitamins, minerals & calcium. BuckeyBites has created the world's first tasty dog biscuit that combines the convenience of an edible treat with all the benefits of antlers. BuckeyBites Oven Baked Dog Biscuits made with All Natural Antler Powder provide all the benefits of antlers in a daily, tasty treat. We've also included Glucosamine, Carotene and Chondroitin in the mix to super charge their effectiveness. And...we've left out wheat, corn and soy. These biscuits help to promote sound bones & Joints and the overall wellbeing of your pet. They contain no wheat, no soy and no corn. They are easy to digest and 100% Made in the USA. Ingredients: Crushed Antler Powder, Spelt Flour, Oat Flour, Steel-Cut Oats, Milled Flax Seed, Natural Smoked Bacon Extract Flavor, Cheddar Cheese, Glucosamine HCl, Chondroitin, vitamin D3, Vitamin B12, Baking Soda, Mixed Tocopherols, (Vitamin E).

2 BuckeyBites Small Hemp/Antler Pull Toy

For Small to Medium Dogs. Dogs love BuckeyBites antlers. Dogs also love BuckeyBites Hemp Rope Dog Pull Toy with Antler Chews too. Made from natural hemp rope. Hemp is digestible unlike many of the common chews made from vinyl ropes or cotton blends. This is the perfect chew toy. Hemp rope toys for dogs are the perfect chew toy for cleaning teeth. They also help to massage the gums. What makes this rope toy even more special is the addition of our high quality antler chews which not only acts as a convenient handle for either you or your dog, but also adds additional nutritional value. Antler chews are nature's perfect chew for small and large dogs. Cut from 100% North American shed deer or elk antler. No animals are harmed in the collection of our antlers. They provide an excellent source of vitamins, minerals and calcium for your pet. They support bone, joint & muscle health. Non-allergenic and 100% natural, odor free. Ingredients: All natural, North American Deer or Elk antler – 100% Hemp Rope. No chemicals added.
